Missing You

Everyone is missing you, so much that no one can make a list.
We'll never forget about you because in our lives you'll
always exist. No one will think of you as dead, just far away.
We'll always remember you as we go day by day.
We'll be missing you day and night, but we all know
that God is looking after you with all his might.
We all understand that you'll be okay,
you'll be alright for you'll be in Gods sight.
We all know that God Is everywhere so without a doubt,
we know that you are in the best care that anyone could ever
be in. God's Care
