The Broken Chain

We knew little that morning, God was going to call you home; in life we loved you dearly, in death we do the same. It broke our hearts to lose you; you did not go alone; for part of us went with you, the day God called you home. You left us beautifully memories. Your love is still our guide; and through we cannot see you, you are always by our side. Our family chain is broken, and nothing seems the same; but as God calls us one by one, the chain will link again.
