***Miss Me But Let Me Go***

When I come to the end of the road, and the sun has set for me, I want no rites in a gloom-filled room. Why cry for a soul set free? Miss me a little-but not for long! And not with your head bowed low, Remember the love that we shared; Miss me-but let me go. For life is a journey that we all must take and each must go alone. It's all part of the Master's Plan, a step on the road to home. When you are lonely and sick at heart, go to the friends we know, laugh at the things we use to do; Miss me-But Let Me Go!

***Until We Meet Again***

Those special memories of you will always bring a smile. If only I could have you back for just a little while. Then we could sit down and talk again, just like we used to do. You always meant so very much and always will do too. The fact that you're no longer here will always cause me pain, but you're forever in my heart until we meet again
