### *A Poem From Your Daughter*

The moment that you died my heart was torn in two, one side filled with heartache, the other died with you. I often lie awake at night, when the world is fast asleep, and take a walk down memory lane, with tears upon my cheeks.

Remembering you is easy, I do it every day, but missing you is a heartache that never goes away. I hold you tightly within my heart and there you will remain. Until the joyous day arrives, that we will meet again.

Love you always, Dawn
