### *God's Garden*

God looked around his garden and found an empty place; He then looked down upon the earth, and saw your tired face. He put his arms around you and lifted you to rest. God's garden must be beautiful; he always takes the best. He knew that you were suffering; he knew you were in pain. He knew that you would never get well on earth again. He saw the road was getting rough and the hills were hard to climb. So he closed your weary eyelids and whispered "Peace be thine." It broke our hearts to lose you but you didn't go alone, for part of us went with you the day God called you home.

### ***To Those I Love & Those That Love Me***

When I am gone, release me, let me go; I have so many things to see and do; you must not tie yourself to me with tears; be happy that we had so many years; I gave you my love, you can only guess how much you gave me in happiness; I thank you for the love you have shown but now it's time I traveled on alone.

So grieve a while for me, if grieve you must then let your grief be comforted by trust. It's only for a while that we must part, so bless the memories within your heart.

I won't be far away for life goes on so if you need me, call and I will come though you can't see me or touch me, I'll be near. And if you listen with your heart, you will hear, all my love around you, loud and clear. And then, when you must come this way alone, I'll greet you at Heaven's gate with a smile and a "Welcome Home."
