I had an angel here beside me,

Sent to Earth to help and guide me,

An angel always there for me

Sent to love and care for me.

She did the things that angels should:

She taught me what was bad and good,

She gave me hope when no one cared,

She held my hands when I was scared,

She cheered me up when I was down

(She could make a smile from a frown),

She doctored me when I was sick,

And many other angel tricks.

Today my angel earned her wings, Her halo, harp and other things.

But today I'm lost and all alone

For God took my Grandma home.

The Family would like to express sincere thanks and heart felt appreciation for your prayers, kindness and love shown during this time of their love one's bereavement. A special thank you to the Community Hospice Staff and the Staff at Lakeside Nursing Home and Rehabilitation Facility for the delicate and loving care they provided.
