To My Family and Friends

The day has come, my moment in the sun. Oh, how I wish you could see this beautiful dawn. With rainbows glowing all around, it's just so much beauty abound. Oh, I wish you could see my crown. Don't worry for me, because I am not alone.

Jesus is here with me, I am finally home.

Always remember I am not really gone, I'll always be in your hearts, and you'll never be alone. I'll see you even when you think that I am not there, I'll be watching over you, with tender care. I'll miss the times that I can't talk to you. Oh, but you'll miss those same times too.

So, until the time comes, when we meet again, I'll miss you, all my family and friends. So, cry only for a night, as I journey, and remember "joy comes in the morning."
