"A Poem To My Mother"

From Heaven I was delivered as a baby unto you, and God said to you softly, I'm trusting you to do everything that's needed, to nurture and to love Your little Angel "Bucket", sent from heaven above. You see, Spirits cannot be held, hugged, or kissed, the body that was his vessel, is what you'll surely miss. So I'm now with my father, for the Earth was not my place, I leave with you, laughter and a smile upon your face. Please hear my sweet voice from eternity saying, don't cry for your Angel "Bucket", just keep praying!

I love you mother!
From your son, *Curtis "Bucket"*
