“Because The Angels Came”

No more grief or sorrow, no more suffering or pain, now there is everlasting peace, because the angles came. Only God knows what is best, as He gently holds my hand, guiding me to a better place, because the angles came.

Acknowledgement

Perhaps you sent a lovely card, or sat quietly in a chair. Perhaps you sent a floral spray, if so, we saw it there. Perhaps you spoke the kindest words as any friend would say. Perhaps you were not there at all; just thought of us that day. Whatever you did to console our hearts, We thank you so very much whatever the part, May God bless you.

Special Quote

Your Mother Is Always With You

Your mother is always with you... She's the whisper of the leaves as you walk down the street. She's the smell of bleach in your freshly laundered socks. She's the cool hand on your brow when you're not well. Your mother lives inside your laughter. She's crystallized in every tear drop... She's the place you came from, your first home.. She's the map you follow with every step that you take. She's your first love and your first heart break....and nothing on earth can separate you. Not time, Not space... Not even death.... will ever separate you from your mother....You carry her inside of you....
