~Crossing Over~

Oh, please don't feel guilty it was just my time to go. I see you are still feeling sad and the tears just seem to flow. We all come to earth for our lifetime and for some it's not many years. I don't want you to keep crying, you are shedding so many tears. I haven't really left you, even though it may seem so. I have just gone to my heavenly home and I am closer to you than you know. Just believe that when you say my name, I am standing next to you. I know you long to see me, but there's nothing I can do. But I'll still send you messages and hope you understand. That when your time comes to "cross over" I will be there to take your hand.
