***"I'm Free"***

Don't grieve for me, for now I'm free, I'm following the path God laid for me. I took his hand when I heard his call, I turned my back and left it all. I could not stay another day, To laugh, to love, to work, to play. Tasks left undone must stay that way, I've found that peace at the close of the day. If my parting has left a void, Then fill it with remembered joy. A friendship shared, a laugh, a kiss, Ah yes, these things I too will miss. Be not burdened with times of sorrow, I wish you the sunshine of tomorrow. My Life's been full, I savoured much, Good friends, good times, a loved one's touch, Perhaps my time seemed all too brief, Don't lengthen it now with undue grief. Lift up your heart and share with me, God wanted me now, He set me free.

***Acknowledgement***

Our sincere thanks to our many family members and friends, for every very act of kindness and sympathy shown during the hour of our bereavement. Your thoughtfulness made the burden easier to bear. May God's blessing be with you and His grace sustain you.

### *The Broken Chain*

We little knew that day, God was going to call your name. In life we loved you dearly, in death, we do the same. It broke our hearts to lose you. You did not go alone. For part of us went with you, the day God called you home. You left us beautiful memories, your love is still our guide. Although we cannot see you, you are always by our side. Our family chain is broken, and nothing seems the same, but as God calls us one by one, the chain will link again.
