Friends and Family

We thought of you in love today, but that is nothing new. We thought about you yesterday and days before that, too. We think of you in silence, we often speak your name. Now, all we have is memories and your picture in a frame. Your memory is our keepsakes, with which we'll never part. God has you in his keeping, we have you in our hearts.

Acknowledgement

Our sincere thanks to our many family members and friends, for every act of kindness, support, sympathy and prayers during our time of bereavement. Your thoughtfulness made it easier to bear the burden. May God forever bless each of you.
