God Saw You getting Weary

God saw you getting weary, so he did what he thought best. He came and stood beside you and whispered, "Come and Rest". You wished no one a last farewell, nor even said goodbye. You were gone before we knew it and only God knows why. When God called you to come and rest, you didn't go alone, for part of us went with you, the day God took you home.

Acknowledgement

We thank God for all the support and love that we have received from our friends and family during this time. Although we are hurting and will miss our loved one dearly, we know that God will continue to keep us and give us peace. Please continue to keep our family in your prayers. The family will always remember your kindness and sympathy and we pray that God will continue to bless each of you.

Love, the family of the late Richard T. Brown
