### *“Words by Desilene Daugherty”*

Mom, it has been a blessing having you as my mom. God allowed me to see your love, strength, and faith through your sickness. The last few weeks have been a healing and cleansing process for me. You verbalized your love for me during this time. You never allowed your sickness to shake your faith in God. I watched how you allowed God to have

His way in your life instead of insisting on your own way. You opened your heart and home to many when others wouldn't. You always told people how much you loved me and how proud you were of me. Thank you for not giving up on me, even during our difficult times. You taught me to be a confident, strong, independent, loving, and caring woman. Mom, I love you. It has been my pleasure being a part of your life and legacy. Rest in peace... Boogie.
