### *God Saw Me Getting Weary*

God saw me getting weary, so He did what he thought best, He came and stood beside me, and whispered, "Come and Rest". I wished no one a last farewell, nor even said goodbye, I was gone before you knew it and only God knows why. When God called me to come and rest, I didn't go alone. For part of all of you went with me, the day God took me home.

### *I'm Free*

Don't grieve for me, for now I am free. I'm following the path God laid for me. I took his hand when I heard him call. I turned my back and left it all. I could not stay another day to laugh, to love, to work or play. Tasks left undone must stay that way. I found that place at the close of the day. If my parting has left a void, then fill it with remembered joy. A friendship shared, a laugh, a kiss, oh yes, these things, I will miss. Be not burdened with times of sorrow, I wish you the sunshine of tomorrow. My life has been full, I've savored much, good friends, good times, a loved one's touch. Perhaps my time seemed all too brief, don't lengthen it now with undue grief. God wanted me now, he set me Free.
