

***Psalm 20: 4 & 6***

May He grant you according to your heart's desire and fulfill all your purpose. Now I know that the Lord saves His anointed; He will answer him from his holy heaven with the saving strength of His right hand. Amen

## *Remembering, Celebrating and Honoring Eternity Shirley Wilcox*

**Eternity Shirley Wilcox** was born three months early, on July 7, 2015. Eternity is survived by her mother Alicia S. Wilcox; grandfather, Albert Wilcox, Sr.; grandmother, Pamela Wilcox; great-grandmother, Roberta Jones; two aunts; two uncles, and all that came in contact with Eternity along the way.

*Eternity* was a star that shined bright. The strength instilled in Eternity's spirit was inherited from God, her timetable may have been for a short period of time on earth, but her life's purpose for being born was fulfilled on earth and in heaven. She fought the good fight, she finished her course and on October 19, 2015 she received the ultimate reward in glory.

*Eternity* was a miracle sent from heaven, a loving daughter with a beautiful smile and soul. Eternity was an angel that flew back home. May the people she impacted, embrace her spirit and continue to dig deep for the strength to fight the good fight as Eternity did.

## *Words from Mommy's Soul to Yours "ETERNITY"*

When you were inside of me I asked God to anoint you my child. I sought Him for a name to honor you with, and God spoke to me the word Eternity. When you were born you were complete in spirit because seven is God's number of completion. Eternity, you completed me. You gave me strength I never knew could be felt. Love bonded us, Love saved us, and the Love of God freed you from this evil world. What you gave to me nobody else could have ever given me in this world except you. You helped to make me over, make me better, and most of all you loved me and I want to say thank you.

Our two souls connected as one for Eternity. May God hold you in his arms and put a star in your crown for your life gave me a new life, and for that I'll be forever grateful, humbled, and blessed by the privilege of your powerful presence. It's finished, you made it home my child and when my purpose is complete, I'll meet you in heaven for Eternity. Until then when this life gets hard and the enemy tries to distract me, I'll lift my head toward the sky and know that you are with the Most High God, and in the arms of our loved ones. I love you Eternity, and I will make you proud of me. I will fulfill the calling of my life, "I surrender Lord, I'm willing for you to use me for your will and your purpose".
