

## *"Forever In Our Hearts"*

### *Farewell My Friends*

It was beautiful as long as it lasted, the journey of my life. I have no regrets whatsoever, save the pain I'll leave behind. Those dear hearts who love and care, and the strings pulling at the heart and soul. The strong arms that held me up, when my own strength let me down. At every turning of my life, I came across good friends, friends who stood by me, even when the time raced me by. Farewell, farewell, my friends, I smile and bid you goodbye. No, shed no tears for I need them not, all I need is your smile. If you feel sad do think of me, for that's what I'll like when you live in the hearts of those you love, remember then you never die.

## *Acknowledgements*

## A Loving Tribute

### "Miss You"

Miss you, miss you, miss you! Everything I do echoes with the laughter, and the voice of you. You're on every corner, every turn and twist, every old familiar spot whispers how you're missed.

Miss you, miss you, miss you! Everywhere I go there are poignant memories dancing in a row. Silhouette and shadow of your form and face, substance and reality everywhere displace.

Oh, I miss you, miss you! God! I miss you boy! There's a strange silence mid the busy whirl, just as tho' the ordinary daily things I do wait with me, expectant for a word from you.

Miss you, miss you, miss you! Nothing now seems true, only that twas heaven just to be with you.
