I'm Free

Don't grieve for me, for now I am free. I'm following the path God paid for me. I took His hand when I heard Him call. I turned my back and left it all. I could not stay another day, to laugh, to love, to work, or play. Tasks left undone must stay that way. I found that place at the close of day. If my parting has left a void, then fill it with reminders of a friendship shared, a laugh, a kiss. Oh yes, these things, I too will miss. Be not burdened with times of sorrow; I wish you the sunshine of tomorrow. My life has been full; I savored much; good friends, good times, a loved one's touch. Perhaps my time seemed all too brief; don't lengthen it now with undue grief. Lift up your heart and share with me, God wanted me now, He set me FREE.

One is not gone ...

Who touched the lives of others in such a warm and caring way.

One is not lost ...

Who warmed the lives of all around with freely given friendship.

One is not forgotten ...

Who found the way to others hearts and mapped a route to love.
