Aunt Jean there are aunts to look up to, aunts who are wise those who are good friends and those who advise there are aunts that are loveable and aunts who are fun, but you're the coolest because you're all in one.

Poem of Life

Life is but a stopping place, a pause in what's to be
a resting place along the road to sweet eternity.

We all have different journeys
different paths along the way
we all were meant to learn some things
but never meant to stay...

Our destination is a place far greater than we know.

For some the journeys quicker
for others the journey's slow.
And when the journey finally ends
we'll claim a great reward
and find an everlasting peace
together with the Lord.
