### *Farewell My Friends*

It was beautiful as long as it lasted, the journey of my life. I have no regrets whatsoever, save the pain I'll leave behind. Those dear hearts who love and care, and the strings pulling at the heart and soul. The strong arms that held me up, when my own strength let me down. At every turning of my life, I came across good friends, friends who stood by me, even when the time raced me by. Farewell, farewell, my friends, I smile and bid you goodbye. No, shed no tears for I need them not, all I need is your smile. If you feel sad do think of me, for that's what I'll like when you live in the hearts of those you love, remember then you never die.

### *~A Fallen Limb~*

A limb has fallen from the family tree. I keep hearing a voice that says **“Grieve Not For Me”**. Remember the best times, the laughter, and the song. The good life I lived while I was strong. Continue my heritage, I’m counting on you. Keep smiling and surely the sun will shine through. My mind is at ease, my soul is at rest. Remembering all, how I truly was blessed. Continue traditions, no matter how small. Go on with your life, don’t worry about falls. I miss you all dearly, so keep up your chin. Until the day comes we’re together again.
