Crossing Over

Oh, please don't feel guilty It was just my time to go. I see you are still feeling sad and the tears just seem to flow. We all come to earth for our life time, and for some it's not many years.

I don't want you to keep crying you are shedding so many tears. I haven't really left you, even though it may seem so. I have just gone to my heavenly home and I'm closer to you than you know. Just believe that when you say my name, I'm standing next to you.
