Momma, how I wish I could hear your voice again. But I can't be selfish I have to let your journey to peace begin. Just know that you will be truly missed, and the lessons you taught will forever stay with me and your other kids. Pretty black, my pretty black, you are beautiful and don't you ever forget it. I remember you told me that. Your bright smile, your strong spirit, your sense of humor will forever live. There will never be another silk.

Acknowledgement

Words cannot express our gratitude for your many acts of kindness. It is so comforting to know that you cared enough to make time in your schedules to accommodate our needs and remember us in prayer. We haven't taken any of it for granted. May God open the windows of heaven and pour blessings until you won't have room enough to receive.
