Farewell My friends

It was beautiful as long as it lasted, the journey of my life. I have no regrets whatsoever, save the pain I'll leave behind. Those dear hearts who love and care, and the strings pulling at the heart and soul. The strong arms that held me up, when my own strength let me down. At every turning of my life, I came across good friends, friends who stood by me, even when the time raced by. Farewell, farewell, my friends, I smile and bid you goodbye. Shed no tears for I need them not, all I need is your smile.

To everything there is a season, and a time to every purpose under the heaven.

A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted.

A time to weep, and a time to laugh; a time to mourn, and a time to dance.
