

### ***To Those I Love & Those That Love Me***

When I am gone, release me, let me go; I have so many things to see and do; you must not tie yourself to me with tears; be happy that we had so many years; I gave you my love, you can only guess how much you gave me in happiness; I thank you for the love you have shown but now it's time I traveled on alone.

So grieve a while for me, if grieve you must then let your grief be comforted by trust. It's only for a while that we must part, so bless the memories within your heart.

I won't be far away for life goes on so if you need me, call and I will come though you can't see me or touch me, I'll be near. And if you listen with your heart, you will hear, all my love around you, loud and clear. And then, when you must come this way alone, I'll greet you at Heaven's gate with a smile and a "Welcome Home."

### *Those We Love Remain With Us*

Those we love remain with us for love itself lives on,  
and cherished memories never fade  
because a loved one's gone.  
Those we love can never be more than a thought apart,  
far as long as there is memory,  
they'll live on in the heart.

### **Recessional**

To every thing there is a season,  
and a time to every purpose under the heaven.  
A time to be born, and a time to die; a time to plant,  
and a time to pluck up that which is planted.  
A time to kill, and a time to heal; a time to break down,  
and a time to build up.  
A time to weep, and a time to laugh;  
a time to mourn, and a time to dance.  
A time to cast away stones, and a time to gather stones together,  
a time to embrace and a time to refrain from embracing.

*Ecclesiastes 3: 1-5*
