***The Great Release***

As you release your thoughts in honor of me, just know that I am with you and will always be. No pains, no worries for I am with God. For I have overcome, this world to the great beyond, Hold a hand, say a prayer, but don't worry I say. If you close your eyes, I am one step away. Although you may feel a bit torn apart, please know that I will forever be in your heart.

***Acknowledgement***

Sincere appreciation to each of you who have shared in the life of our love one. Your kind words, prayers, visits, and expressions of love has provided great relief of our sorrow. Thank you for your thoughtfulness. May God forever bless you.
