***Only God Knows Why***

Sometimes it's difficult to understand why some things have to be, but God in His wisdom has planned beyond our powers to see.  
So looking back in tenderness, along the path we trod;  
we cherish the years we had with you and  
leave the rest to God.

We would like to thank our many family members and friends for every act of kindness, words of comfort, prayers, cards, telephone calls, flowers and visits extended to us during the passing of our loved one. You have encouraged our hearts. May God bless each of you.
