When I Must Leave You

*When I must leave you for a little while,
Please do not grieve and shed wild tears,
and hug your sorrow to you through the years.
But start out barely with a gallant smile;
And for sake and in my name live on and do all things the same.
Feed not your loneliness on empty days,
but fill each working hour in useful ways,
reach out your hand in comfort and cheer
and I in turn will comfort you and hold you near;
And never, never be afraid to die,
for I am waiting for you in the sky.*
