God Saw You Getting Weary

God saw you getting weary, so he did what he thought best, He came and stood beside you and whispered, "Come and Rest". You wished no one a last farewell, nor even said goodbye. You were gone before we knew it and only God knows why. When God called you to come and rest, you didn't go alone, for part of us went with you, the day God took you home.

Those We Love Remain With Us

Those we love remain with us for love itself lives on,
and cherished memories never fade because a loved one's gone.

Those we love can never be more than a thought apart,
far as long as there is memory, they'll live on in the heart.
