*Those We Love Remain With Us*

Those we love remain with us  
for love itself lives on  
and cherished memories never fade  
because a loved one's gone.  
Those we love can never be  
more than a thought apart  
far as long as there is memory  
they'll live on in the heart.

### *A Mother's Love*

There is no other love like a Mother's love.....

A Mother's love: Is a sanctuary, where our souls can find sweet rest from the struggle and tension of life's fast and futile questions.

A Mother's love: Is like a tower, rising far above the crowd and her smile is like the sunshine, breaking through a threatening cloud.

A Mother's love: Is like a beacon, burning bright with faith and prayer and through the changing scenes of life we can find a haven there.

A Mother's love: Is fashioned after God's enduring love, it is endless and unfailing, like the love of Him above.

For God knew in His great wisdom that He couldn't be everywhere, so He put His little children in a loving mother's care. Lord I thank you for the world's greatest mother you gave us.

We will love you always!
