A mother's love

is a wonderful love packaged from heaven with special care.

A mother's love

is like no other love in which you can compare.

A mother's love

is purified by Angels and flows directly from her soul.

A mother's love

is justified by God and by his hands he created the mold.

This mold that was shaped
and fashioned by God has endured the test of time.

This mold that was taped and recorded
by women rang out like a heavenly chime.

A mother's love

is unconditional, and from her heart this can be told.

A mother's love

is nutritional; it is the fruit that feeds our soul.

A mother's love

'IS' true love, and from her heart she cannot lie.

A mother's love

is eternal, the kind that won't ever die.

A mother's love

is the tie that binds, and her bond can never be broken.

A mother's love

is branded in our hearts, even when her words aren't spoken...

Ecclesiastes 3:1-4

For everything there is a season, and a time for every matter under heaven: a time to be born, and a time to die; a time to plant, and a time to pluck up what is planted; a time to kill, and a time to heal; a time to break down, and a time to build up; a time to weep, and a time to laugh; a time to mourn, and a time to dance.
