## *God's Garden*

God looked around His garden and found an empty place; He then looked down upon the earth, and saw your tired face. He put his arms around you and lifted you to rest. God's garden must be beautiful, he always takes the best. He knew that you were suffering; he knew you were in pain. He knew that you would never get well on earth again. He saw the road was getting rough and the hills were hard to climb. So he closed your weary eyelids and whispered "Peace be thine." It broke our hearts to lose you but you didn't go alone, for part of us went with you the day God called you home.

## *Acknowledgement*

Our sincere thanks to our many family members and friends, for every act of kindness, support, sympathy, and prayers during our time of bereavement. Your thoughtfulness has meant so much to us. May God bless each of you!

## *~God Saw Me Getting Weary~*

God saw you getting weary, so he did what he thought best,  
He came and stood beside you and whispered, “Come and Rest”.

You wished no one a last farewell, nor even said goodbye.  
You were gone before we knew it and only God knows why.  
When God called you to come and rest, you didn’t go alone,  
for part of us went with you, the day God took you home.
