Still Here

Just because you cannot see her
Does not mean she's not there
Just because she's now resting in Jesus
We still know you care

Jesus sees you crying
You often call His name
He wants to hold you tight
He wants to ease you pain

It's easy for us
For we know heaven is real
Now that you know the truth
How much better do you feel

One day we will all meet again
But only when the time is right
When Jesus steps out of the darkness
We will see the eternal light

In Memory of a Dear Grandma

Its always sad but *comforting* to silently recall
your *smile* and dear familiar face
so loved by one and all
For the world may keep *turning* and change from
day to day but precious *memories* of you
will never fade away.
And here's hoping that this message which carries
so much *love* will somehow find its way to you in
heaven up above It's to let you know,
dear Grandma that although you are at rest
You'll live forever in the hearts of those
who *loved* you best!
