“Remember Me”

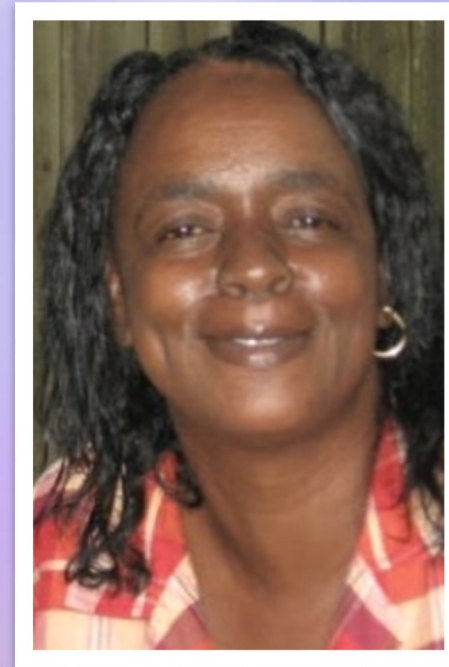

Remember me with smiles not tears, for all the joy through all the years. Recall the closeness that was ours, a love as “sweet” as fragrant flowers. Don’t dwell on thoughts that cause you pain, we’ll see each other once again. I am at peace try to believe, it was my time I had to leave, but “what a view” I have from here, I see your face I feel you near, I follow you throughout the day, you’re not alone along the way. And when God calls you, you will be right by my side, right here with me. Till then, I’ll wait by heaven’s door, we’ll be united evermore!

Expressions of Gratitude & Appreciation

To you our family and friends, who have been so very thoughtful during this transition time of our love one. Words cannot be expressed of our gratitude for the many expressions of kindness shown. The family would like to extend sincere thanks and deep gratitude to everyone for their prayers which has given us strength and comfort for life’s journey ahead. We thank you so very much. May God richly bless and keep each of you.

Her home was always open as a place of refuge for anyone that needed it, and her gracious love for children defined who she was and this was evident to everyone. Her delicious collard greens and corn bread was always prepared on a Sunday for anyone that showed up. Linda was well loved by her family, especially her two sons.
