### *Those We Love Remain With Us*

Those we love remain with us for love itself lives on, and cherished memories never fade because a loved one's gone. Those we love can never be more than a thought apart, far as long as there is memory, they'll live on in the heart.

### *Acknowledgements*

The family of the late **Lawrence Bernard McCoy** wishes to express our sincere thanks for the flowers and every other expression of love shown during our time of bereavement.

## *To Those I Love & Those That Love Me*

When I am gone, release me, let me go; I have so many things to see and do; you must not tie yourself to me with tears; be happy that we had so many years; I gave you my love, you can only guess how much you gave me in happiness; I thank you for the love you have shown but now it's time I traveled on alone.

So grieve a while for me, if grieve you must then let your grief be comforted by trust. It's only for a while that we must part, so bless the memories within your heart.

I won't be far away for life goes on so if you need me, call and I will come though you can't see me or touch me, I'll be near. And if you listen with your heart, you will hear, all my love around you, loud and clear. And then, when you must come this way alone, I'll greet you at Heaven's gate with a smile and a "Welcome Home."
