

"Sahara"

The sunrises, the sunsets, as we lay "Sahara" to her eternal rest. Through trails and tribulation, you've done your best. Your chains have been broken, thy God has spoken, your name was chosen, tears have shed, and many hearts broken. Your journey was inspiring, your love and smile which you leave behind is undying. You reached heights, until you achieved great success, as we mourn and reflect, accepting the fact that God knows best, set apart from amongst the rest. Your departure was sudden and brought a lot of pain, now that you've ascended to heaven things will never be the same. Being in your presence "Sahara" was a blessing within itself, we will all hold to those great memories as the time has come to lay you to rest. You have earned your Wings, White Gown, and Your Golden Crown. Now the time has come to say goodbye "Sahara" we will hold you dear within our hearts. For the love we have for you will never depart.

Obituary

“A Time to Live and A Time to Die”

In today's society human's life have no value and way too many takes for granted they are able to breathe in and out on their own. Too many lives are being robbed for their true and Divine Destiny God valued over human life and its expiration is ending before its expected life span expires. Human's heart is waxing cold, therefore, monetary and materialistic gains is the prize their eyes and hearts embraces and lusting on. Due to the corruption of the hearts, mind and souls their intellectual only allows them to play the fool role. The fool role is I'm going to get what I want, when I want it and no matter who have to suffer in order for me to get it. They don't care who dies, cries, nor even to the families have to say their final goodbyes.

On December 15, 1993 a 2 lbs. 1oz baby girl enter into this world fighting for her life. Prayers with expectation but still hoping and wishing her heart would be strong enough to stand against all the odds of the negative Dr's reports giving to mom. Conquering the storm of born prematurely she grew up and became a beautiful young lady. Sahara was a loving mother, daughter, sister, aunt, granddaughter, friend, and cousin. She was small in size but BIG in love, heart, and Spirit. She leaves behind a one year old son whom now is deprived from a motherly love only she could give him. She made the ultimate decision to give up her challenging lifestyle to make sure he had a mother who will properly nurture and love him. Her son was her life, strength and inspiration. A son robbed of long term memories and bond they could have shared one with another. She was robbed of missing all his first times: going to the pot, wearing underwear, tying his shoes, riding his bike, going to school, first job, first kiss, first graduation, first marriage and the list goes on and on. On day to day basis when you see her, he will be there as well.

January 1st, 2018 Sahara made a stop to a very familiar place she goes to daily, B.P. Gas station. She had no clue this will be the place she would breathe her last breath. The lust of the eyes and pride of life of others lurks and wonder whom their next victim will be and sadly it was her. Taking her rental car wasn't good enough so they took it further and her life was prematurely ended because life has no value in their eyes. Gunshot wound piercing her skin and before we knew it death had taken control of her soul. With not even one of her loved ones chatting and cheering her on “You can make it and don't give up! She ends up dying all alone. Although she was born and murder prematurely, her family will never forget her season she lived and her out of seasonal of death. Sahara will always be remembered and loved by many. Each and every New Year, her family will reluctantly cross over with mixed emotions wanting to celebrate a New Year but deep inside weathering the storm and sting of her death.

Sahara leaves behind her son, Thomas Cummings III; goddaughter, Kyliee Roberts; soul mate, Thomas Cummings Jr.; parents, Rozella (Eric) White and Michael Barkley; extended parents, Thomas Sr. (Eloise) Cummings; grandparents, Dwight (Norvie) Moses and Joanne Dennis; two brothers, Johnny Lewis Jr. and Dwight Brooks; one sister, Karen (Dwight) Jones; four uncles, Dwight Moses, Reggie Barkley, Gregory Bellamy, and Rodney Dennis; six aunts, Juanita Renthrope, Nichole (Charles) Earvin, Shanda (Shawn) Simmons, Keshia, Tahesia (Eddie) Ashford and Lakesha (Marlon) Willis; two nieces, Grace Getzen and Genesis Jones; a host of special and favorite cousins, Wayne Jones, Christopher Gillyard, Kyle (Danielle) Gillyard, Nicholas Gillyard, Rashawn Simmons, Daquan Simmons, Kevin (Angel) Elmore, Robert Renthrope, Deron Renthrope, Tiki (Amos) Porter, Arielle (Gregory) Gillyard and Dyshon Renthrope; godmother, Michelle Barnard; two godsisters, Kechelle Roberts and Nekeshia Hubbard; Mentor/Coach Cooper; best friend, Rachael Winn; she also leaves a host of other family members and friends whom love and will miss her dearly.
