

"Farewell"

Though our time has come to an end, and onward I must go, you may grieve me for a while, but there is something you should know. We have laughed and cried together, had our ups and downs. But those memories that we've shared, will always keep me around. But those memories that we've shared, will always keep me around. Physically I won't be with you, but I'm always in your heart. Keep me there and soon you'll see, that we'll never be apart. So until that day comes, when we'll be face to face again, Remember that I LOVE YOU,

Farewell My Family and My Friends!!!
