“When God Saw You Getting Tired”

When God saw you getting tired and a cure was not to be He put his arms around you and whispered come to me. He didn't like what you went through and gave you rest. His garden must be beautiful, He only takes the best and when he saw you sleeping so peaceful and free from pain we wouldn't wish you back to suffer that again. Today we say goodbye and as you take your final rest that garden must be beautiful because you are one of the best.
