## *My Journey*

Don't think of me as gone away; my journey's just begun. Life holds so many facets, this earth is only one. Just think of me as resting from the sorrows and the tears, in a place of warmth and comfort, where there are no days and years. Think how I must be wishing, that we could know today, how nothing but our sadness can really pass away. And think of me as living in the hearts of those I touched, for nothing loved is ever lost, and I was loved so much.
