“Life Is But A Stopping Place”

Life is but a stopping place, a pause in what's to be, a resting place along the road to sweet eternity. We all have different journeys, different paths along the way, we all were meant to learn some things, but never meant to stay.. Our destination is a place, far greater than we know. For some the journeys quicker, for others the journey’s slow. And when the journey finally ends we’ll claim a great reward and find an everlasting peace together with the Lord.

Acknowledgement

Words are not adequate enough to express our gratitude for the many expressions of kindness shown to us during the loss of our love one, Beverlyn Denise Watson. Your calls, cards, visits, flowers and prayers have given us strength and comfort for the journey ahead. May God continue to bless each of you.
