Missing You Always

You never said I'm leaving, you never said goodbye, you were gone before we knew it, and only God knows why. A million times I needed you, a million times I cried, if love alone could have saved you, you never would have died.

In life I loved you dearly, in death I love you still, in my heart I hold a place that only you can fill. It broke my heart to lose you, but you didn't go alone, a part of me went with you, the day God took you home.

Acknowledgements

The family wishes to express to you their most sincere appreciation for all the thoughtful and kind deeds shown during this time of our bereavement. May God bless and may He keep each of you always.
