To Those I Love & Those That Love Me

When I am gone, release me, let me go; I have so many things to see and do; you must not tie yourself to me with tears; be happy that we had so many years; I gave you my love, you can only guess how much you gave me in happiness; I thank you for the love you have shown but now it's time I traveled on alone.

So grieve a while for me, if grieve you must then let your grief be comforted by trust. It's only for a while that we must part, so bless the memories within your heart.

I won't be far away for life goes on so if you need me, call and I will come though you can't see me or touch me, I'll be near. And if you listen with your heart, you will hear, all my love around you, loud and clear. And then, when you must come this way alone, I'll greet you at Heaven's gate with a smile and a “Welcome Home.”

Farewell Dear Mother

Somewhere in my heart beneath all my grief and pain,
Is a smile I still wear at the sound of your dear name.
The precious word is 'MOTHER',
she was my world you see,
But now my heart is breaking cause she's no longer
here with me.

God chose her for His angel to watch me from above,
To guide me and advise me and know that I'm still loved.

The day she had to leave me
when her life on earth was through,
God had better plans for her, for this, I surely knew.
When I think of her kind heart and all those loving years,
My memories surround me and I can't hold back the tears.
She truly was my best friend, someone I could confide in,
She always had a tender touch and a warm and gentle grin.

I want to thank you Mother for teaching me so well,
And though the time has come
that I must bid you this farewell.
I'll remember all you've taught me
and make you proud you'll see.
Thank you my Dear Mother for all the love you showed me.
Although you've left this earth and now you've taken flight,
I know that you are here with me
each morning, noon and night.
