~The Moment That You Died~

The moment that you died my heart was torn in two one side filled with heartache the other died with you. I often lie awake at night when the world is fast asleep, and take a walk down memory lane with tears upon my cheeks. Remembering you is easy I do it everyday but missing you is heartache that never goes away. I hold you tightly within my heart and there you will remain until the joyous day arrives that we will meet again.
