"My Baby Boy"

(From The Cradle To The Grave)

My baby boy; from the first day I saw you , I knew you were special. God gave you a gift to sing, and your singing blessed a lot of souls. You left me without saying "Goodbye". I don't know if I'm supposed to rejoice or cry. You knew God, and He was in your heart. Your favorite song was "Jesus Is Real To Me" and I know you knew he was real.

Dari'one, How do I hold back my tears. I gave you to God a long time ago. I didn't know He would come and get you so soon. I know you're saying " Momma don't cry for me, I'm free. I'm on the streets of gold." But my baby boy, I will never again be able to hold you. I know you're with the Master, and I know He said to you, "Well Done."

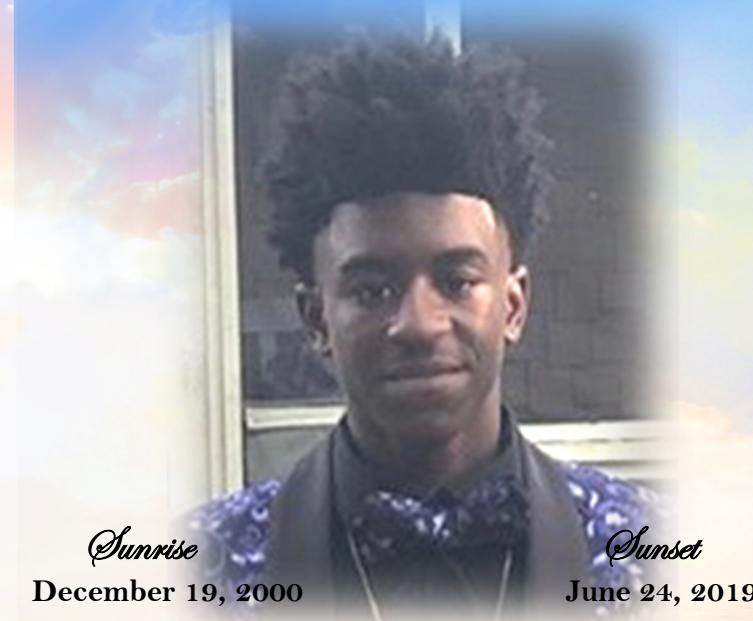

So with that being said, well done baby boy, you good servant. Until we meet again, I love you, from the cradle to the grave.
Love you, Mommy (Vonette Nixon)
