Acknowledgements

Words of thanks seem so inadequate for all of the kindness that has been bestowed upon our family. We thank you for the encouraging visits, comforting calls/text messages, lovely cards, beautiful floral arrangements, and the sincere words of solace. We are finding strength in knowing earth has no sorrow that heaven cannot heal. May God continue to richly bless each of you.

Brother

You gave no one a last farewell, nor ever said good-bye, you were gone before we knew it, and only God knows why. A million times we will miss you. A million times we will cry. If love alone could have saved you, you never would have died. In life we loved you dearly. In death we love you still. In our hearts you hold a place, no one else can fill. It broke our hearts to lose you, but you didn't go alone, for part of us went with you, the day Good took you home. We will meet again someday, I know in a better place. I thank God He made you our brother while you were here on earth.

Love,
Tyrann, Calvaray, and Janay

My Baby Boy

You've always been a joy to me, regardless of what others think they see. You loved your family with all your heart, and yes, you were very smart. It saddens me that we are apart, a true leader from the start. Your head was always on the swivel, when you chose to act civil. You loved to "ackafool", but you were still my priceless jewel. It never occurred to me that you wouldn't be home for dinner, I prepared your favorite meal and yes it was a winner. I wish we could have said good bye, but I realize it was just your time to fly.

You are forever my baby boy and I will always love you!
Love, Mama
