### *Footprints*

One night I dreamed I was walking along the beach with the Lord, many scenes from my life flashed across the sky. In each scene I noticed footprints in the sand. Sometimes there were two sets of footprints. Other times there was only one. This bothered me because I noticed during the low periods of my life when I was suffering from anguish, sorrow or defeat, I could see only one set of footprints. So I said to the Lord "You promised me, Lord, that if I followed you, you would walk with me always. But I noticed during the most trying periods of my life there has only been one set of prints in the sand. Why, when I needed you most, have you not been there for me? The Lord replied "The times when you have seen only one set of footprints it was then that I carried you."

## *A Mother's Love*

There is no other love like a Mother's love.....

A Mother's love: Is a sanctuary, where our souls can find sweet rest from the struggle and tension of life's fast and futile questions.

A Mother's love: Is like a tower, rising far above the crowd and her smile is like the sunshine, breaking through a threatening cloud.

A Mother's love: Is like a beacon, burning bright with faith and prayer and through the changing scenes of life we can find a haven there.

A Mother's love: Is fashioned after God's enduring love, it is endless and unfailing, like the love of Him above.

For God knew in His great wisdom that He couldn't be everywhere, so He put His little children in a loving mother's care. Lord I thank you for the world's greatest mother you gave me.

We will love you always!
