*Acknowledgment*

Words of thanks seem so inadequate for all of the kindness that has been bestowed upon our family. We thank you for the encouraging visits at the hospital and home, the comforting calls, the lovely cards, the beautiful floral arrangements, and sincere words of solace. We are finding strength in knowing earth has no sorrow that heaven cannot lead and that our loved one no longer has to endure facing the troubles and stress of this world. May God bless you richly for blessing us.
