Until We Meet Hgain

Those special memories of you will always bring a smile. If only I could have you back for just a little while, then we could sit and talk again just like we used to do, you always meant so very much and always will do too. The fact that you're no longer here will always cause me pain, but you're forever in my heart, until we meet again.

Heknowledgements

Perhaps you sent a lovely card, or sat quietly in a chair. Perhaps you sent a floral spray, if so, we saw it there. Perhaps you spoke the kindest words as any friend would say. Perhaps you were not there at all; just thought of us that day. Whatever you did to console our hearts, we thank you very much whatever the part, may God bless you.
