

A Good Mother

*A good mother is dignified. She knows she is made in the image of God Almighty.
She respects herself, her children and others.
She is aware of the greatness within her and does not need validation from others.*

*A good mother is helpful. She knows that
Obedience to God and constant effort will make
Her dreams come true. She knows love; therefore
She gives love unconditionally to her children.*

*A good mother has loads of inspiration and tones of endurance.
She prays constantly for her household.
She knows that sometimes she needs to inspire her children
To recognize and use the "Seeds of Greatness" God gave them.*

*A good mother appreciates her past, understands her present,
And focus toward the future.
She forgives herself and others of past mistakes
Just as God forgives her.*

*A good mother teachers her children
That God gives us challenges meant to bring us
closer to Him, to self-knowledge
and His everlasting love.*

*Thank you Jennie Scott
For being a Great Mom!*

*Remembering your favorite phrase:
"I am lil' piece of leather well put together!"
Love you Momma,
Billy*
