*~A Fallen Limb~*

A limb has fallen from the family tree. I keep hearing a voice that says "***Grieve Not For Me***". Remember the best times, the laughter, and the song. The good life I lived while I was strong. Continue my heritage, I'm counting on you. Keep smiling and surely the sun will shine through. My mind is at ease, my soul is at rest. Remembering all, how I truly was blessed. Continue traditions, no matter how small. Go on with your life, don't worry about falls. I miss you all dearly, so keep up your chin. Until the day comes when we're together again.

*From Our Family*

*If love alone could have saved you.  
You would have never left our side.  
In life we loved you dearly. In death  
we love you still. In our hearts you had  
a place no one else can ever fill.*

*They say there is a reason. They say  
that time will heal. But neither time  
nor reason will change the way we  
feel.*

*We want to tell you something so  
there won't be any doubt. You're so  
wonderful to think of but so hard to be  
without.*

*It broke our hearts to lose you. But  
you didn't go alone passed loved one's  
came to guide you the day God took  
you home.*

*From All of Us  
Family*
