Paul Lavon Capers was born November 19, 1967 in Jacksonville, FL to the late Ollie Leon and Maggie Ann Capers.

Paul was educated in the Duval County public school system in Jacksonville, Florida, where he graduated from William M. Raines High School in 1986. He was employed at NAS Jax for many years.

Paul started working at NAS Jax on June 17, 1985 as a student on the work study program in the (NARF) Naval Air Rework Facility as a Sheet Metal Helper until present as a Production Specialist (Supervisor) at the Fleet Readiness Center Southeast.

Paul was a very active member of the William M. Raines Class of 1986 reunion committee. He was the Treasurer and did anything they needed him to do. Paul loved his classmates. They were like family to him. Paul was very active in the community. He loved working with the children. Paul volunteered at Hammond Park for over 10 years as a Head Coach for many T-ball, baseball, and football youth teams. He was the Vice President of The Forty & Older Club, a Non-Profit Organization, where he was very active in doing community work supporting the kids and families in the Duval county area. They hosted annual events such as Easter Bashes, Back to School Drives, Movie Nights, Thanksgiving Food Drives, Christmas Toy give-aways, and many other events. Paul was the owner of PK Entertainment and had recently began a new business venture of PK Cakes and more. Daddy,

We do not know the words to express what we are feeling. We can tell you that we love you and we could not have asked for a better father than what we were blessed with in you. Our hearts are empty, and we feel like our time with you has been cut short, but we know that we could not have asked for a better father than what we were blessed with in you. The days and nights ahead we are sure will not be easy to overcome, but we know that we could not have asked for a better father than what we were blessed with in you. From the beginning of each of our lives you've loved us unconditionally, through it all, and have never turned your back on us we know that we could not have asked for a better father than what we were blessed with in you. All three of us have so many memories; some we share, some only you would understand, but we KNOW we could not have asked for a better father than what we were blessed with in YOU. WE THANK YOU for being our Superhero, for laying the foundation, showing us the definition of a MAN, never giving up, being supportive, loving our children, making us laugh, establishing our family, and for showing us REAL LOVE. We know that we could not have asked for a better father than what we were blessed with in you.

Love always and forever,

LaTasha, LaTrelle' & Paul Jr.
